

***Grid Applications:
from early adopters to
mainstream users***

Thilo Kielmann, Vrije Universiteit, Amsterdam

workshop at GGF14

Chicago, IL

June, 2005

Workshop Organizers (big thanks!)

- **Application Developers and Users RG (APPS-RG)**

- Thomas H. Hinke, NASA Ames Research Center
- Thilo Kielmann, Vrije Universiteit, Amsterdam

- **Production Grid Services RG (PGS-RG)**

- Laura McGinnis, Pittsburgh Supercomputing Center
- David Wallom, Bristol University, UK
- Judith Utlej, Old Dominion University, USA

- **Programme Committee**

- Simon J. Cox, University of Southampton, UK
- Pascal Kleijer, NEC Japan
- Ignacio Martin Llorente, Universidad Complutense, Madrid, Spain
- Andre Merzky, Vrije Universiteit, Amsterdam
- Steven Newhouse, OMII, UK

Publication Issues

- **All workshop papers are on the www site**
 - www.cs.vu.nl/ggf/apps-rg/meetings/ggf14.html
 - We will collect the slides on a USB stick for the www site
- **The workshop proceedings will be published as a GGF informational document**
- **Journal special issue (Journal of Grid Computing)**
 - Proposal acceptance tentative, pending on quality of the papers
 - May have 5-6 papers, about 30 pages each
 - Workshop PC will select those submissions that show potential for an extended, scientifically strong journal paper
 - Invited papers will be reviewed (WS PC + journal board)
 - Due: Sep 1st, acceptance Oct 1st (tentative)

Workshop Programme

•Morning (9:15 - 12:00)

- Environments, Middleware, Tools
 - 3 presentations
 - coffee
 - 2 presentations
 - discussion

•Lunch (12:00 - 01:15)

•Afternoon (01:15 - 05:00)

- Application Experience
 - 3 ½ presentations
 - coffee
 - 3 presentations
 - discussion

Workshop Programme (details)

•Morning (9:15 – 12:00)

- Sign up sheets, IPR issues
- Environments, Middleware, Tools
 - Presentations: 20min each, only 'simple' questions
 - Discussion with all presenters

•Lunch (12:00 - 01:15)

•Afternoon (01:15 - 05:00)

- Application Experience
 - ½ presentation: Grid Programming Environments (T.Kielmann), 15min
 - Presentations: 20min each, only 'simple' questions
 - Discussion with all presenters
