

Policies and Procedures for OGF Affiliate Program

The following sections describe the policies and procedures for establishing and maintaining OGF Affiliates.

1. Establishment of Affiliates

Establishing an OGF Affiliate (hereafter referred to as “the Affiliate”) involves a three-step process: application, formation, final approval.

Any OGF Member (employee of an organizational member or an individual member) in good standing may submit an application (see Appendix A) to form the Affiliate to the Regional Vice Presidents or to the OGF Executive Director. This may be done via email or by fax.

Applications will be reviewed by the appropriate party (Regional VP or Executive Director) and the Affiliate will be granted a “formation” status via email. Upon being granted this status, applicants are urged to recruit members, draft a set of By-laws for the Affiliate (see Appendix B), and complete other such requirements as set forth by OGF procedures.

When the applicant has met the requirements set forth in this document for formation of the Affiliate, OGF will review the By-laws and application and determine if an Affiliate status is to be granted (in which case, the status is changed to “granted”). If an application is rejected applicants, may appeal to the Executive Director by submitting a written request (email is acceptable). This appeal will be discussed in the context of OGF’s Management Steering Committee and a decision made to accept or reject the applicant. This decision will be final.

2. Purpose of Affiliates

Affiliates of OGF are expected to serve the interests of a segment of the global OGF community in a manner consistent with the mission and principles of OGF. Through a presence local to its community of interest, an Affiliate focuses on issues and developments important to its community. An Affiliate recognizes, honors, and uses the culture, customs, and language of its community. Every Affiliate shall have an explicit statement of purpose.

3. Scope of Affiliates

Affiliates may be established on a non-exclusive basis to serve the needs of any specific, cohesive community of interest. Multiple Affiliates serving overlapping communities are generally not permitted unless a compelling reason exists for the redundancy.

4. Funding of Affiliates

Affiliates are expected to establish their own source of funding. Permitted sources include the following.

- a. Affiliates may establish a fee-based membership model, charging either or both individuals and organizations to participate in its activities. The fees may be structured according to the activities or paid according to a regular renewal schedule.
- b. Affiliates may solicit funding or resources from local organizations or other sponsors to support its activities.

5. Public Positions and Statements

Specific officials of Affiliates, acting on behalf of their Affiliate, may make public statements and establish public positions as long as they meet the following requirements.

- a. They must advance the purposes of OGF, which includes advancing the purposes of an Affiliate in good standing.
- b. They must not be contrary to any position of OGF.
- c. They must be prepared and presented in a professional manner.
- d. They must be clearly and unambiguously identified as originating from the Affiliate of OGF.
- e. It should be unlikely they will give rise to any significant legal or juridical liability.

Where there is any question or doubt regarding the appropriateness of a public position or statement, the Affiliate is expected to consult with the OGF Executive Director (or Regional VP) at least one week prior to its release or announcement. Affiliates must notify the OGF Executive Director (or Regional VP) no later than the same day of the release of any public position or statement.

6. Members

All individuals and organizations falling within the defined scope of the Affiliate shall be eligible for membership without discrimination.

All members of an Affiliate are encouraged (but not required) to be members of OGF. OGF membership is not necessary for participation in the activities of the Affiliates.

The Affiliate shall have at least 20 members none of whom are listed as one of the 20 members used by any currently active Affiliate to get its Affiliate status.

7. Liabilities

OGF shall not be liable for any act or omission or incurred liability of any kind of any Affiliate.

8. Organization

Affiliates will be encouraged but not required to constitute themselves as not-for-profit corporate entities.

Affiliates must have a set of By-Laws.

Affiliates must have a fixed postal address and at least one email address through which it can communicate electronically with OGF leadership.

Affiliates must have a defined set of leadership roles for which it conducts regular elections to select individuals from its membership to serve. Such roles may be appointed for at most 1 year when the Affiliate first receives its Affiliate status. Such roles may have whatever title is customary to the segment of the community being served.

The roles must include at least the following.

- a. One person designated as the most senior of all the leaders. This role frequently has the title of Chairman or President.
- b. One person to be responsible for the administrative duties. This role frequently has the title of Secretary.
- c. If the Affiliate has financial resources to manage there must be one person responsible for the financial duties. This role frequently has the title of Treasurer.

Affiliates must meet any requirements set forth by OGF procedures by action of the OGF Executive Director or Regional VP, including but not limited to at most an annual review of its Affiliate status and the annual submission of a financial report.

9. Activities

Affiliates may undertake any activity reasonably related to and in furtherance of its purpose and the purpose and mission of OGF.

10. Mandatory Annual Review

To ensure that Affiliates remain active, OGF requires an annual review of the Affiliate activities and financial standing. Affiliates should submit by email or fax no later than the end of February of the next year, the following to their Regional VP or to the OGF Executive Director:

- annual activity report listing meetings held, dates, number of participants, and scope of meeting (note: these should be summary not detailed reports)
- officer information (i.e., individuals currently holding officer roles)
- annual financial report.

It is common to assign the duties for the first two to the Secretary and the last one to the Treasurer of the Affiliate. Affiliates who do not submit this information prior to the end of February will be put into “probation” and contacted by OGF leadership. If an annual report is not received within 60 days of being contacted, then the Affiliate will be closed.

APPENDIX A

Affiliate Application Overview

The first step in creating an OGF Affiliate is to complete the application below. The completed application will be reviewed by the Regional VP or OGF Executive Director. The Executive Director will contact you upon initial receipt of the application and again after review to indicate the status of our application.

The purpose of the application is to provide enough information to answer the following questions.

1. How is this Affiliate related to other Affiliates?

In general, we do not want Affiliates competing with each other for members or support so it is important for an Affiliate to serve a unique community of interest.

2. What will this Affiliate do?

It is not necessary to provide a detailed or scheduled list of activities since we know that will depend on the actual membership of the Affiliate. However, it is important for an Affiliate to have a purpose and scope to guide its selection of activities, which needs to be consistent with OGF's mission and purpose.

3. Are there any issues that we need to be aware of?

Some countries and locales have specific laws, regulations, or customs regarding the creation or presence of a group such as an Affiliate of OGF. OGF will honor such requirements, including making exceptions in its own rules, when we know about them. It is important for you to indicate that you have looked for such requirements and list those of which you are aware.

Any Member (employee of an OGF organizational member or OGF individual member) in good standing may complete an application. When it is completed the application should be submitted by email or fax to:

Email: affiliates@ogf.org

Fax: +1 630-991-2923

If you have any questions please contact Steve Crumb (scrumb@ogf.org)
